ORGANIZATIONAL CONFLICTS OF INTEREST DISCLOSURE – ADVISORY AND ASSISTANCE SERVICES

- A. "Organizational conflict of interest" means that because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to PNWH2, or the person's objectivity in performing the resulting contract work is or might be otherwise impaired, or a person has an unfair competitive advantage.

- C. The statement must contain the following:
 1. A statement of any past (within the past 12 months), present, or currently planned financial, contractual, organizational, or other interests relating to the performance of the statement of work. For contractual interests, such statement must include the name, address, telephone number of the client or client(s), a description of the services rendered to the previous client(s), and the name of a responsible officer or employee of the offeror who is knowledgeable about the services rendered to each client, if, in the 12 months preceding the date of the statement, services were rendered to PNWH2, the Government, or any other client (including a foreign government or person) respecting the same subject matter of the instant solicitation, or directly relating to such subject matter. The agency and contract number under which the

For financial interests, the statement must include the nature and extent of the interest and any entity or entities involved in the financial relationship. CONTRACT AWARD

PNWH2 reserves the right to make an award without further discussion of the Response submitted. Therefore, the Response should be submitted initially on the most favorable terms possible. PNWH2 reserves the right to contact Respondents for clarification of its Response.

The Contractor should be prepared to accept this RFP for incorporation into a contract resulting from this RFP. Contract negotiations may incorporate some, or all, of the Response. The Response will become a part of the official procurement file on this matter without obligation to PNWH2.

The Apparent Successful Contractor will be expected to enter into a contract which is substantially the same as the example contract and its general terms and conditions attached as Attachment B. In no event is a Respondent to submit its own standard contract terms and conditions in response to this solicitation. The Respondent may submit proposed edits as allowed in the Certifications and Assurances section, Attachment G to this RFP. PNWH2 will review requested edits and accept or reject the same at its sole discretion.

PNWH2 may:

- A. Reject any or all proposals;
- B. Request clarification of minor irregularities, informalities or apparent clerical mistakes;
- C. Waive minor irregularities, informalities or apparent clerical mistakes in offers received
- D. Accept any item or combination of items, unless doing so is precluded by a restrictive limitation in the solicitation or the proposal;
- E. Award multiple contracts as a result of this solicitation;
- F. Reject a proposal as non-responsive if the prices proposed are materially unbalanced between line items or sub-line items. A proposal is materially unbalanced when it is based on prices significantly less than prices for some items and prices which are significantly overstated in relation to prices for other items, and if there is a reasonable doubt that the proposal will result in the lowest overall price to PNWH2 even though it may be the lowest evaluated proposal, or if it is so unbalanced as to be tantamount to allowing an advance payment;
- G. Conduct site visits to the home or field offices of offerors determined to be in the competitive range (offerors will be notified with the date and time of arrival, an outline of the duration of the visit and any assistant/information required);
- H. Require oral presentations from any or all offerors, determined to be in the competitive range (offerors will be notified of the time and place for such presentation);
- I. Request oral and/or written discussions;
- J. Determine a competitive range, including all proposals that are judged to have a reasonable chance of being selected for award, and negotiate with all offerors within it. (In the event a competitive range is determined, it will be based solely on PNWH2's judgment, and Best and Final Offers will be requested at the conclusion of negotiations); or
- K. Negotiate only with a single offeror to further reduce the price paid if, in the judgment of PNWH2 after a review of the technical and price offers, only one offeror has a reasonable chance of being selected for award.

- L. Funding is fully obligated for this action. However, contract award is subject to Availability of Funds at the time of award.
